WHEREAS, improving livability and community health are important goals;

WHEREAS, the nutrition and physical activity choices that individuals make for themselves and their families are influenced by their environment;

WHEREAS, local policies on land use and transportation, access to healthy food, and shared use determine whether options for healthy eating and active living are within reach of the people who live, work, go to school, play or worship in the city;

WHEREAS, high rates of costly chronic disease among both children and adults are correlated to environments with few or no options for healthy eating and active living;

WHEREAS, Stayton is a member of the League of Oregon Cities;

WHEREAS, in 2010, the League of Oregon Cities Board of Directors resolved to partner with and support the national *Let's Move!* Campaign headed by the First Lady of the United States, and has encouraged Oregon cities to adopt preventive measures to fight obesity;

WHEREAS, in 2012, the League of Oregon Cities Board of Directors resolved to partner with the Oregon Public Health Institute (OPHI) in the *Healthy Eating Active Living (HEAL) Cities Campaign*, and encouraged all Oregon cities to join the *HEAL Cities Campaign* and qualify as a HEAL City by accepting information, training and technical assistance from OPHI staff on policies to support healthier eating and increased physical activity levels for all residents, create more livable communities, and create a culture of wellness at municipal workplaces; and,

NOW, THEREFORE, BE IT RESOLVED that the Stayton City Council hereby recognizes that joining the HEAL Cities Campaign has the potential to improve local livability and have a positive impact on the community's health and well-being. To that end, Stayton adopts this HEAL Resolution.

This Resolution shall become effective upon its adoption by the Stayton City Council.
