

CITY OF STAYTON APPLICATION FOR OFFICIAL ZONING MAP AMENDMENT

APPLICATION AND DECISION MAKING PROCEDURES

Prior to submittal of an application, a pre-application meeting with City Staff is required. A completed pre-application form and sketch plan drawing need to be submitted at least 7 days in advance of the meeting. Meetings are held every Tuesday afternoon and there is no fee for the first required pre-application meeting.

1. APPLICATION FEE

Submission of a completed application form, with a plan and attachments, and payment of the application fees are required before the review process begins. The application and fees shall be submitted to the Planning Department during regular business hours. **The fee for this application is \$1,300.** If the cost to the City does not reach the amount of the fee paid, the excess fee will be refunded to the applicant after the file is closed. If during the processing of the application, the costs to the City exceed 75% of the fee paid, the applicant will be required to pay an additional 50% of the fee amount, to assure that there are adequate funds to continue to process the application.

2. REVIEW FOR COMPLETENESS AND SCHEDULING A HEARING

The City Planner will review the submitted application for completeness and, within 30 days from the date of submittal, determine if the applicant has provided all required information. If the application is incomplete, the City Planner will notify the applicant of the items which need to be submitted. Once the application is deemed complete, the Planner will schedule a hearing before the Stayton Planning Commission. Planning Commission meetings are regularly scheduled for the last Monday of the month. State law requires the City to notify the Department of Land Conservation and Development 35 days before the first hearing on any amendment to the comprehensive plan map. This will be taken into consideration when the first hearing is scheduled.

3. STAFF REPORT

Once a hearing date is set, the City Planner will prepare a staff report summarizing the applicant's proposal, the decision criteria, comments from other agencies or the public, and address whether the application complies with code requirements or suggest conditions to meet those requirements. A copy of the staff report will be provided to the applicant no less than 7 days prior to the public hearing.

4. PUBLIC HEARING BEFORE THE STAYTON PLANNING COMMISSION

Prior to the public hearing, notice is required to be sent to all property owners within 300 feet of the property 20 days before the hearing, so the hearing will be scheduled at the first regular meeting following the notice period. The hearing is to give all interested parties an opportunity to comment on the application. The hearing is conducted by the Chairperson in accordance with the Stayton Public Hearing Rules of Procedure. These rules are available at City Hall.

At the conclusion of the hearing and deliberation, the Planning Commission will adopt an order recommending action to the City Council stating the decision criteria, findings of fact, conclusions whether the application meets any applicable standards and the Commission's decision. The Commission may decide to recommend denial, approval, or approval of the application with conditions.

5. PUBLIC HEARING BEFORE THE STAYTON CITY COUNCIL

Amendments to the Official Zoning Map must be adopted by ordinance so a second public hearing will be scheduled before the Stayton City Council. A notice is required 10 days prior to the hearing which will be held at the regular Council meeting, on the first or third Monday of every month. Staff reports, Planning Commission findings, and any new information will be presented to Council for consideration. The purpose of the hearing is to receive further public testimony, to review the application and consider the Planning Commission's recommendation and proposed conditions. Generally, the Council will make a decision at the conclusion of the hearing process, but may delay the decision for further information or action by the applicant. The Council will then adopt an order either approving or denying the application and subsequently enact an ordinance.

6. APPEALS

Council actions may be appealed to the State Land Use Board of Appeals pursuant to ORS 197.805 through 197.855.
