VOLUNTEER ELECTION FORM

Keep monthly rosters! CIS may request copies of rosters during year-end audit.

Public Safety Volunteers

The following volunteer positions are reported in NCCI Classification Code 8411, using an assumed monthly wage of no less than \$800 per month (regardless if one day or 30 are worked) for premium payment and calculation of benefits. This assumed monthly wage may be increased at the employer's discretion in increments of \$100. **Please refer to your entity's volunteer resolution for the amount to use in filling out Column No. 2 below.**

* Using last year's rosters, estimate the number of volunteer months for each position and enter the total on the appropriate line Column (1). Some volunteers are not active every month, i.e., one volunteer firefighter may be active five months out of the year, two volunteer firefighters may be active 12 months out of the year, and five volunteer firefighters may be active only one month out of the year. Thus, the number of volunteer firefighter months would be 34.

Other Volunteers

Unpaid boards, commissions, councils, and public officials: If these officials receive any “remuneration,” they would be considered subject workers and reported using regular payroll categories. If they receive no remuneration and you wish to provide workers’ compensation benefits, you will need to either establish an assumed monthly wage or keep monthly time records and estimate/report assumed payroll using Oregon minimum wage. CIS has designated Class Code 8742V for this type of exposure. Please call if you have questions or need advice.

Inmates/Community Service Workers: If your entity uses workers from the correctional system (i.e., community service workers, inmates on work release, peer review crews, etc.), it is important to address and clarify in writing PRIOR to work inception which entity will be responsible for covering this exposure. CIS recommends you obtain a Certificate of Coverage for Workers’ Compensation from the sentencing court or make arrangements to provide coverage through your own entity. If the second option is chosen, keep monthly time records and report these workers using Oregon minimum wage. CIS has designated Class Code 7720V for this type of exposure.

Miscellaneous: Assumed payroll for all other volunteer elections should be computed at Oregon minimum wage using actual hours worked and reported in the appropriate NCCI classification code with a “V” added to the end. Unanticipated volunteer projects or exposure can be added on throughout the coverage year (1) by endorsement, (2) with advance notice to CIS, and (3) allowing two weeks for processing. *Coverage of this type cannot be backdated.*
