South Africa through the Eyes of Michael Moloi

The Stayton Public Library is excited to be hosting “South Africa through the Eyes of Michael Moloi” on Thursday, September 26th at 6:00 p.m. in the E.G. Sieg mund Meeting Room. This program is free and all ages are welcome.

Moloi will present the story of South African mineworkers during times of apartheid when families migrated in Johannesburg from their rural homes. The performance consists of dance, storytelling, poetry, singing, public interaction and lots of energy.

Choreographer, Art Director, Performing Artist and Designer Tumelo Michael Moloi was born in 1981 in the notorious apartheid-era township of Katlehon, southeast of Johannesburg, South Africa. Michael displayed an amazing talent for sports, arts, and dance at a very young age. He began his dance career at age 16 as a member of the highly acclaimed South African dance company Via Katlehong. Michael and the dance troupe performed a mix of the street dance forms known as pantsula (South African town dance) and gumboot (mineworkers).

This event is sponsored in part by the Stayton Friends of the Library and the Marion County Cultural Corporation.

If you have questions about the event, please contact the Stayton Public Library at (503) 769-3313.
Annual Pool Maintenance — Closure Information

The Stayton Family Memorial Pool will be closing for its annual maintenance on Sunday, September 8th. The closure is expected to last 4 to 6 weeks, with a tentative reopening date of October 20th. Thanks to an unexpected donation, the bottom of the pool will be resurfaced during the closure.

While the facility will be closed during this time, the staff at our pool will be hard at work offering land based classes to our community. These classes will include:

- **Walking Class (Monday, Wednesday, and Friday)** — This class will be available in two levels, Easy to Moderate, and Moderate to Fast. Routes will vary around the community and will be a great way to stay in shape, spend time getting to know each other, and learning new things about the community we live in.

- **Tai Chi (Monday, Wednesday, and Friday)** — Originally developed for self-defense, Tai Chi has evolved into a graceful form of exercise that’s now used for stress reduction and a variety of other health conditions. Often described as meditation in motion, Tai Chi promotes serenity through gentle, flowing movements. This will be a video led class.

- **Senior Sit or Stand Fitness Class (Tuesdays and Thursdays)** — This class is an aerobic based class set for both those with or without balance issues. You will have a choice of sitting in a chair, using the chair for support, or standing on your own. This will be a video lead class.

To learn more about these classes, you can visit www.staytonoregon.gov/page/pool_home. If you have questions, please contact Aquatics Facility Manager Billie Hight-Maurer at (503) 767-7665 or via email at bhightmaurer@ci.stayton.or.us.
