

AN ORDINANCE PROVIDING FOR THE CONSTRUCTION OF SEPTIC TANKS.

The town of Stayton do ordain as follows:

Section 1. All outhouses, privies, water closets, and urinals hereafter constructed within the limits of the town of Stayton shall be connected with a standard septic tank.

Section 2. Any outhouse, privy, water closet, or urinal now existing within said town limits shall be connected with such septic tank whenever the town council declares same to be a public nuisance, unless use of same be thereby discontinued. Should the owner of such property, or his agent or representative, fail or neglect to comply with the order, ~~the~~ council, may after 30 days proceed to have such connection made and charge the cost thereof against such property and collect it as taxes against the property are collected.

Section 3. Before commencing the construction of any septic tank, the owner, his agent or representative shall secure a permit from the ~~town~~ *Council* ~~recorder~~ to construct same.

Section 4. The town engineer or street commissioner shall supervise the construction of such septic tanks, and his inspection and approval must first be obtained before permitting the use thereof.

Section 5. Any person violating any of the provisions of this ordinance shall be fined in a sum not less than \$5 nor more than \$50, and in default of the payment of such fine, shall be confined in jail one day for each \$2. of such fine.

Passed by the common council April 20, 1942.

Signed and approved by the mayor April 20, 1942.

J. L. Siegmund
Mayor
