

ORDINANCE NO. 1051

AN ORDINANCE AMENDING AND RESTATING THE STAYTON MUNICIPAL CODE, CHAPTER 12.08 (STANDARD SPECIFICATIONS FOR PUBLIC WORKS CONSTRUCTION)

WHEREAS, Stayton Municipal Code (SMC) Title 12 provides for the adoption of public works design standards and construction specifications for streets, water, sanitary sewer, and storm drainage facilities owned and operated by the City of Stayton;

WHEREAS, the City's standard specifications for public works design and construction were last updated in 2015; and

WHEREAS, the City's Public Works Director and City Engineer updated the City's design standards and construction specifications to reflect changes in policy, procedure, new technology, design methods and construction methods; and

WHEREAS, the City's Public Works Department has completed a 12-month review of the public works design standards and construction specifications including a review of the design standards of other Oregon cities; and

WHEREAS, the City staff has provided copies of the proposed City of Stayton Design Standards and Construction Specifications to the City Council for consideration; and

NOW, THEREFORE, the City of Stayton ordains as follows:

SECTION 1. Stayton Municipal Code, Chapter 12.08 of Title 12 is hereby repealed in its entirety whereupon the restated Chapter 12.08 of Title 12 SMC, as set forth in Exhibit A, attached to this ordinance and incorporated herein, is hereby adopted.

SECTION 2. Upon adoption by the Stayton City Council and Mayor's signing, this Ordinance shall become effective 30 days after the date of signing.

ADOPTED BY THE STAYTON CITY COUNCIL this 15th day of November 2021.

CITY OF STAYTON

12.08.310 ADOPTED, CONFORMANCE REQUIRED, AMENDMENT

1. The City has adopted a certain set of documents entitled “City of Stayton Public Works Design Standards and City of Stayton Construction Specifications” as the public works design standards and construction specifications for public works improvements in the City.
2. All public works design and construction, including workmanship and materials, shall be in accordance with the current edition of the City of Stayton Public Works Design Standards and Construction Specifications. This section applies to all public improvements within the city limits of the City of Stayton, the Stayton Urban Growth Boundary or as otherwise required by law.
3. The Public Works Director will periodically update the City of Stayton Public Works Design Standards and Construction Specifications to reflect changes in policy, procedure, new technology, design methods and construction methods.
 - a. Requests for modifications may be initiated either by the City or by an interested party.
 - b. Requests for modifications will be considered in accordance with the review procedures set forth in the City of Stayton Design Standards and Construction Specifications.
 - c. The Public Works Director is hereby granted authority to approve or deny requests for modifications to the City of Stayton Design Standards and Construction Specifications.

TITLE 12. STREETS, SIDEWALKS, AND PUBLIC PLACES

- d. Updates to the City of Stayton Public Works Design Standards and Construction Specifications will be posted on the City's website. Copies may be purchased from the City.
- e. The Public Works Director will provide the City Council with a report which lists the updates and modifications made to the City of Stayton Public Works Design Standards and Construction Specifications when changes are made.

12.08.320 TO 12.08.380 RESERVED FOR EXPANSION

12.08.390 VIOLATION: PENALTY

Violation of any regulation promulgated by authority of this chapter is punishable by a fine not to exceed five hundred dollars (\$500.00).
