RESOLUTION NO. 980

A RESOLUTION ADOPTING THE 2018-2019 BUDGET, MAKING APPROPRIATIONS AND IMPOSING AND CATEGORIZING AD VALOREM TAXES FOR THE 2018-19 FISCAL YEAR

WHEREAS, the City Budget Officer prepared the proposed budget for the City of Stayton for the 2018-19 fiscal year commencing July 1, 2018;

WHEREAS, the proposed budget was approved by the Budget Committee on May 15, 2018 in the total amount of \$26,611,192;

WHEREAS, there are changes to the approved budget as follows; capital outlay in the Water Fund is increased \$200,000 to account for previously estimated fiscal year 2017-18 year-end capital outlay expenditures for Shaff Road improvements that will not occur until fiscal year 2018-19; Library Fund capital outlay is reduced \$47,000 as the roof repair originally budgeted in fiscal year 2017-18, and previously included a fiscal year 2017-18 year-end estimate of \$12,500, will be completed in fiscal year 2017-18 and does not need to be budgeted in fiscal year 2018-19. The beginning fund balance in the Water Fund is increased \$200,000 as a result of the reduced year-end expenditure estimate. This amount offsets the additional budget appropriation in the Water Fund of \$200,000. The beginning fund balance in the Library Fund is reduced \$37,500 for the change (\$50,000 revised year-end estimate, an increase of \$37,500) and contingency in the Library Fund is increased \$9,500 (capital outlay reduced \$47,000 less beginning fund balance increase of \$37,500). The individual changes above are less than ten percent (10.0%) in each fund;

WHEREAS, the Stayton City Council held a public hearing for the approved budget to receive comments from citizens; and,

WHEREAS, the Stayton City Council has considered the public testimony received.

NOW, THEREFORE, BE IT RESOLVED that that the Stayton City Council hereby:

1. Adopts the budget for fiscal year 2018 – 2019, beginning July 1, 2018 in the total amount of \$26,773,692 and makes the following appropriations:
