### *The Marriage of Opposites*

By Alice Hoffman

Growing up on idyllic St. Thomas in the early 1800s, Rachel dreams of life in faraway Paris. Rachel's mother, a pillar of their small refugee community of Jews who escaped the Inquisition, has never forgiven her daughter for being a difficult girl who refuses to live by the rules. But Rachel's life is not her own. To save her father's business, she is married off to a widower with three children. When her husband dies suddenly and his handsome, much younger nephew, Frédéric, arrives from France to settle the estate, Rachel seizes her own life story, beginning a defiant, passionate love affair that sparks a scandal that affects all of her family, including her favorite son, Camille Pissarro, who will become one of the greatest artists of France.

## COMMUNITY READER BOARD PROJECT From the Friends of the Library

The Stayton Friends of the Library is excited to be able to sponsor this greater community benefit project. The Stayton Public Library is planning to retrofit the existing manual reader sign with a new double-sided amber letter electronic message board. This is the only free community message board in Stayton. The current sign only allows for one message from an organization every two weeks.

The new sign will allow for a message every five to ten seconds. Many more community nonprofits will now be able to advertise their events that benefit all citizens of the North Santiam Canyon area. All ages community events such as Santiam Summerfest, free Movies in the Park, various fundraisers for local schools and the downtown Halloween Walk can all be promoted easily via the new sign.

The Stayton Friends of the Library is a 501(c)(3) non-profit organization dedicated to raising funds in support of Stayton Public Library programs. Your donation may be tax deductible.

To donate, visit [www.staytonfol.org](http://www.staytonfol.org) or visit the library to pick up a brochure.
