

CITY OF STAYTON

M E M O R A N D U M

TO: Mayor Porter and the Stayton City Council

FROM: Janna Moser - Library Director

DATE: October 17, 2022

SUBJECT: September Library report

In September, new sessions of weekly Family Storytime and Baby and Toddler Time began as well as Family Fit and Fun, a new program where children and families join us for a variety of different ways to move, play, grow and explore. Children, teens, and adults picked up Tiny Art kits with a tiny canvas, some paint, and endless possibilities for creativity. Canvases returned to the Library will be displayed in our Tiny Art Show.

Our adult monthly book club met and discussed "Four Winds" by Kristin Hannah. Teens explored design with 3D printing pens that we purchased with funding from our Oregon Community Foundation Summer Learning Grant. Children explored a drop-in Maker Lab and put their science, technology, engineering, art, and math skills to the test at our Family STEAM Night. Children's Rant or Rave book review kits went out with a free, randomly chosen paperback children's book and some goodies to keep, plus review materials for them to share their thoughts. The books and the supplies for the review kits were made possible by the generous support of the Stayton Friends of the Library and the Stayton Public Library Foundation.

Evie began representing Stayton at the PYM Circulation meeting. Janna attended the CCRLS Advisory Council meeting as the representative for CCRLS medium libraries, which include Stayton, Independence, Monmouth, Dallas, McMinnville, Newberg, Silver Falls Library District and Woodburn.
