

ORDINANCE NO. 492

An Ordinance declaring assessments on property benefited, for the cost to construct paving on West Ida Street, from Evergreen Avenue Westerly approximately 3,860 feet, also Washington Street from 100 feet east of Gardner Street Westerly approximately 3,310 feet in the City of Stayton, Oregon; and directing the City Recorder to enter such assessments against each lot, part of lot and parcel of land benefited therefor in its proportionate share in the Lien Docket of the City of Stayton; directing the service of notice of said assessments, upon the owners of such property, and declaring an emergency.

THE CITY OF STAYTON ORDAINS AS FOLLOWS:

Section 1. That the Common Council hereby declares that it has found it necessary and expedient to improve West Ida Street, from Evergreen Avenue Westerly approximately 3,860 feet and Washington Street, from a point 100 feet East of Gardner Avenue, Westerly 3,310 feet, that portion which lies in the City of Stayton, Oregon by paving in accordance with plans, specifications and estimates heretofore duly and regularly adopted by the Common Council, which are hereby referred to and made a part hereof.

WHEREAS, a meeting of the City Council was held at the time and place fixed by public notice for the purpose of considering any such protest and at that time heard and considered all protest submitted relating to the proposed improvement and assessment thereof, and said Council has considered the matter and deeming that said construction of said improvement was and is of material benefit to the City, and all the property to be assessed therefore will be benefited thereby to the extent of the probable amount of the respective assessment to be levied against said property, did order the construction of said improvements, and;

WHEREAS, the cost of said improvements has been and hereby is determined to be the sum of \$239,364.44 for said IDA STREET improvement and \$196,595.11 for said WASHINGTON STREET improvement.

NOW, THEREFORE, it is hereby determined that the proportionate share of the cost of construction of said improvement, on each parcel of property adjacent to said improvement and benefited thereby is the amount set opposite the description of each piece or parcel of land benefited by the construction of said improvements, to the full extent of the amount so set opposite such piece, or parcel, and that the respective amounts represent the proportional benefits of said improvements to said respective parcel of property, and the council does hereby declare that each of the parcels of property described below is hereby assessed the amount set opposite each respective description, for the cost of construction of said improvements.

Section 2. Summary of cost assessed for construction of paving on IDA STREET and WASHINGTON STREET in the City of Stayton.
