

ORDINANCE NUMBER 363

AMENDING ORDINANCE NUMBER 323 REGULATING THE USE OF PUBLIC AND PRIVATE SEWERS AND DRAINS, PRIVATE SEWAGE DISPOSAL, THE INSTALLATION AND CONNECTION OF BUILDING SEWERS, AND THE DISCHARGE OF WATERS AND WASTES INTO THE PUBLIC SEWER SYSTEM, REQUIRING APPLICATION, PERMITS, AND FEES: PROVIDING PENALTIES FOR VIOLATIONS THEREOF.

THE CITY OF STAYTON DOES ORDAIN AS FOLLOWS:

Section 1. Use of Public Sewers Required: Section 2D of Ordinance Nr. 323 is amended by adding before the last sentence the following: "The Council may, after consideration of said objections, waive present connection to the public sewer if, in the Council's judgement, there would be hardship or an undue expense or difficulty involved to either the objecting party or to the city, or if there are other factors present which would make compliance impracticable."

Section 2. Use of Public Sewers Required: Section 2 of Ordinance Nr. 323 is further amended by adding a new paragraph 2E as follows: "E. Whenever for any reason an exception has been allowed to the requirement to connect to the public sewer, the city recorder shall make notation thereof in the proper records of the city. The Council may at any time review such exceptions, and if the Council shall decide that an exception should no longer be permitted, official notice to connect shall be sent to the owner of the property in question, and said owner shall be required to connect to the city sewer system as provided in Section 2D of this ordinance, subject to the provisions therein for objection and hearing."

Section 3. Connection Charges: Section 3F of Ordinance Nr 323 is amended by deleting the present section 3F and substituting therefor the following section 3F: "F. At any time when any improvement which is connected to the municipal sewer system is wholly destroyed by fire or other casualty or is torn down and is no longer connected to the sewer system, the owner thereof shall notify the city recorder in writing, stating the date of destruction or removal of said improvement and shall pay up all sewer service charges that have accrued to the date of said notice. Thereafter there shall be no monthly service charge made to said property until

new improvements are placed on the premises and are connected to the sewer system."

Section 4. Connection Charges. Section 3 of Ordinance Number 323 is further amended by adding a new section 3G as follows:

"G. The city recorder, upon receipt of a notice of destruction or removal of improvements to property connected to the municipal sewer system and verification by him of such destruction or removal, shall make proper notation of such destruction or removal in the appropriate records of the city and remove said property from the monthly sewer charges until the property is again connected to the municipal sewer system."

Section 5. This ordinance shall be in full force and effect from and after its passage by the Council and approval by the Mayor.

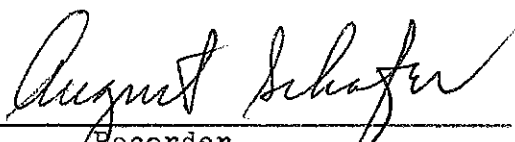

PASSED by the Council this 9th day of January, 1967.

APPROVED by the Mayor this 9th day of January, 1967.
