WHEREAS, the Marion County, Oregon, Board of Commissioners have resolved to form a county Extension Service District under the authority of ORS 451.010(1)(i), if approved by the voters of Marion County. A county Extension Service District would have authority to fund Extension educational program activities for all county residents.

WHEREAS, alternatively, the Marion County Board of Commissioners may initiate the formation of an Extension Service District by adopting an order under authority of ORS 198.835. If the Marion County Board of Commissioners were to adopt an order to initiate the formation of an Extension Service District, the Board would like to include all cities within the boundaries of the Marion County Extension and 4-H Service District.

WHEREAS, the territory of the City of Stayton may only be included within the boundaries of the Extension Service District if the Stayton City Council adopts a resolution approving the petition or County order initiating the formation of the Extension Service District.
