

RESOLUTION No. 650

A RESOLUTION AMENDING ADDENDUM A OF RESOLUTION No. 625 CAPITAL IMPROVEMENTS THAT ARE ELIGIBLE FOR FUNDING WITH SDC IMPROVEMENT FEE REVENUES.

WHEREAS, the City adopted Resolution No. 625 (June 15, 1998) a Parks Systems Development Charge with an improvement fee based on a list of capital improvements from the City's Park and Recreation Master Plan (January 1998) that included Quail Run park as a park to meet the demands of future residents; and,

WHEREAS, the park land was dedicated to the City by two subdivisions adjoining the park, and,

WHEREAS, the list of capital improvements does not include Quail Run park, because at the time, the SDC methodology was developed, a group of citizens had committed to building the park at no cost to the City; and,

WHEREAS, the citizen volunteer effort continues, the citizens need to purchase equipment for the park to fully develop it, and the park will serve future residents in the neighborhood; and,

WHEREAS, ORS 223.309(2) permits the City to modify its list of capital improvements at any time and the park will add capacity to the park system and add new facilities for new residential developments;

NOW, THEREFORE THE CITY OF STAYTON HEREBY RESOLVES AS FOLLOWS:

That the list of capital improvements that are eligible for funding with SDC improvement fee revenues will be amended to include Quail Run Park.

APPROVED BY THE STAYTON CITY COUNCIL this 2nd day of August 1999.
