

Early Literacy Activity

Build With Blocks

Build together and see what you can make!

Block Play

A set of blocks is a fantastic, open-ended toy for children of all ages. Babies build spatial awareness as they explore.

Talk about it...

Talk with your child about what you are building... How tall is your structure? How wide is it? What happens as you add more blocks?

Homemade blocks

Containers you have already at home can become blocks as well. Save tissue and cereal boxes, egg cartons, oatmeal cylinders, etc... Use your imagination, and you can be sure that your child is too!

PLAY

Build a Reader Every Day: READ—WRITE—TALK—SING—PLAY
