

Early Learning Activities

February 2021

Read-Write-Talk-Sing-Play

Try any or all of these activities to encourage learning!

Make letters and shapes with play dough.

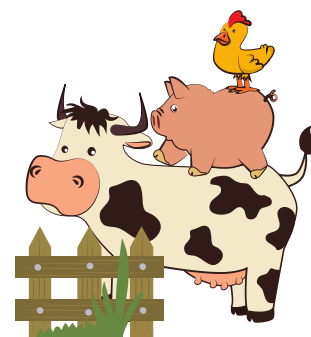

Involve your child in reading. "Where do I start?" "Let's turn the page."

Make your own rhythm stick with a paint stick and strips of cloth or ribbon. Twirl to the music!

Act out a story using sock puppets.

Make animal sounds together as you read a farm book.

Talk about rhyming words. How many rhyming words can you & your child come up with?

Thanks to Oregon Library Association Children's Services Division
