

DIY MAP COASTERS

SUPPLIES:

Provided in kit:

- Mod Podge
- Maps
- Tiles
- Self-adhesive cork
- Foam brush

You will also need:

- scissors
- pencil

INSTRUCTIONS:

1. Trim a small amount from the sides of your cork squares so that they don't hang over the edge of the tiles.
2. Peel back the paper from the backs of each cork square and adhere them to the backs of each tile.
3. Trace around your coasters onto the maps and cut your maps to size.
4. Using the foam brush, apply a thin layer of Mod Podge to the back of the maps.
5. Apply a thin layer of Mod Podge to the top of the coasters and adhere one map to each coaster.
6. After that has fully dried, add three thin coats of Mod Podge to the top of your coasters allowing each layer to fully dry between coats.
7. Make sure they have dried completely then enjoy!
