THAT'S A WRAP!

Now that Summer Reading has wrapped up, we want to thank everyone who participated in making it a great success! We had 430 total participants of all ages reading and exploring with us this summer. Kids read over 54,000 minutes and teens and adults read over 1,100 books! That's so much reading!

In addition to the amazing amount of reading our community did, we gave out over 1,700 take-home activity kits all that help foster a love of learning.

It was very important to us to get books in the hands of people this summer. With the help of our partners, the Stayton Friends of the Library, the Stayton Library Foundation, the Oregon Community Foundation, and Save the Children, we were able to give away over 800 books to kids, teens, and adults throughout the summer!
