Oregon Shadow Theatre Presents... Jack the Dragon!

The Stayton Public Library will be hosting the Oregon Shadow Theatre's show of **Jack the Dragon** on Saturday, January 18th at 2:00 p.m. at the Stayton Community Center located at 400 W. Virginia Street.

The King and Princess Polly have varmint trouble. It might be anything from a pesky Unicorn to a Fire Breathing Dragon. Who better to deal with these troublesome varmints than Little Man Jack, the world champion varmint whacker!

Colorful shadow puppets, live banjo, and hammer dulcimer music bring this Appalachian fairytale to life. This program is for all ages. If you have questions contact the Library at (503) 769-3313.

Public Works Updates and Anticipated 2020 Projects

During Fall 2019, the City offered residents two dates to drop-off yard debris at the City Shops, located at 1820 N. First Avenue. Those participating in the drop-off donated a total of 478 lbs. of non-perishable food along with \$169 in cash to benefit the Stayton Community Food Bank.

We would like to thank the Stayton-Sublimity CERT Team and Foothills Church for organizing volunteers to help with leaf clean-up for 21 senior citizens who requested assistance. The volunteers helped with raking and hauling the leaves to the City Shops and collecting donations for the Stayton Community Food Bank.

Anticipated Public Works Improvement Projects for 2020

The City is partnering with Marion County to perform the 2020 local overlay project. The work will begin after July 1, 2020. At this time a detailed schedule has not been determined. The work will involve milling 3 inches of the existing pavement and replacing it with 4 inches of new asphalt. The work is anticipated to take five to seven days to complete.

The project will include:

- Deschutes Drive
- Rogue Drive
- Willamette Avenue

If you have any questions, please contact Senior Engineering Technician Michael Schmidt at (503) 769-2919 or via email at mschmidt@ci.stayton.or.us.

Jordan Bridge Rehabilitation Project

Beginning February 3, 2020, the Jordan Bridge will be closed periodically for maintenance work. The contractor, Oregon Woods, Inc., will be replacing several truss diagonals and repairing other structural components.

Once structural repairs are completed, the contractor will clean and repair the roof, make repairs to flashing and caulking, and paint the interior and exterior of the bridge. The project is expected to be completed by April.

If you have any questions or concerns, please contact Ian Kintz-Stormo at (503) 769-2919 or via email at ikintz@ci.stayton.or.us.
