To: The Mayor and Stayton City Council

I would like to be nominated along with Mark Kronquist, to be on the Stayton Arts Commission.

I have lived in Stayton for over 50 years , and have been active in the Art Community as a pen and Ink artist as well as a watercolorist. I live at 985 N 4th Ave, Stayton.

Mark Kronquist has been an active artist/photographer for as long as he has been in Stayton and also would be glad to be accepted on the Stayton Art's Committee.

Sincerely
