Subject: RE: Arts Commission Letter - Request to Post Pictures at Community Center

Jennifer – Thank you for the letter. Please share with the Arts Commission that I am very supportive of the idea. It would be great for them to proceed with laying out the sizes/locations in the lobby area and getting cost estimates for the materials. I am looping Alissa in as she will likely need to be involved (via Mike Brash) with the actual installation. From the sound of it, the hanging of the pictures will be fairly lightweight, but we will want to make sure it is hung properly/safely.
