Director's report:

Library services update:

- Three hundred and fifty-one people of all ages joined us for games, candy, and photos at our Cyber Tricked @ the Library event on Halloween. Thank you to our amazing Library crew and our volunteers, MacKenzie, Korin, Diana, Jim & Janet, for making it possible.
- We hosted Head Start's Parent Night last week.
- STEAM days – Robots Galore was open for an hour everyday afterschool for a week. We had 114 children and parents come to explore our selection of Ozobots and Cubelets and build their own robots.
- We are working on the logistics for the Holiday Lights project. We will light up the Library and Community Center Park on December 6. The lights will be on in the park throughout December. We received an ARPA grant from Marion County to fund the installation of power in Community Center Park and \$5000 for lights for this project.

Levy Update

- Discussed the timeline and looked at options for the Library Local Option levy that will need to go to the voters this spring.

General Business:

- Postponed Friends and Foundation reports until the next meeting.

Meeting adjourned at 7:05 pm.

Next meeting December 18, 2024 at 6pm.
