### Director's Report

- a. Library Services update
  - We had 560 people participate in Library March Madness. We had a variety of basketball-related challenges and games, along with brackets with picture books and early readers to vote on to see which books made it to the top. It was also a great way for the Library to support the City's Spring Break Adventure Log.
  - STEAM Days for April was Cloud Dough, and we had 145 people come make it with us.
  - The Oregon Library Association Conference is happening next week in Portland, and Anna and Emily expressed interest in going. Jennifer and Janna will go with them for the day on Thursday.
  - Jennifer and Janna are planning the framework and logistics for Summer Reading. We are looking for farm equipment to do a Farm-style Big Rig Roundup at the Kickoff party on June 16. Discussed ideas for farms and school connections for us to reach out to.
- b. Inked! Foundation Fundraiser
  - We told the story of The Stayton Public Library on the catwalk with our incredible Library team, City staff, volunteers, and community partners at The Stayton Public Library Foundation's fundraising event INKED! We've had fantastic feedback about the event, and even had someone reach out about sponsoring a future event.
- c. Community Board Policy
  - Discussed, updated, and approved the Community Board Policy.

### General Business

- a. Friends of the Library Report
  - The Friends have purchased 100 boxes from Garten to use for packing the container. Laurie is hoping we will have enough other boxes to pack up the books at the end of the sale, so we will not need to use the good boxes.
- b. Foundation Report

- The Foundation meeting is April 30.

**Adjourn** – The meeting adjourned at 7:04 pm.

**Next meeting May 20, 2026 at 6pm.**
